Sebastopol Center for the Arts, Piazza Hospitality, and Metrovation invites artists to submit sculptures, site-specific artworks, or installations for an outdoor exhibition exploring the theme of Belonging. This exhibit will delve into the intricate connections between people and places, the bonds that tie individuals to a community, and the universal search for a sense of connectedness.

Artists are encouraged to reflect on themes such as:

- Belonging to a small town and the Sebastopol community
- The significance of feeling connected
- The role of community in shaping identity
- A sense of place and connection to the natural and built environment
- Environmental sustainability and celebrating the beautiful place of Sebastopol and West County
